Product Quick Guide

Modulo®

The prefinished tongue and groove system.

Why Screenwood Modulo®?

Unprecedented design versatility

Suits vertical, horizontal, curved and sculptural applications.

Premium finishes

Extensive choice of durable NAVURBAN™ finishes that are low VOC, UV and abrasion resistant.

Efficient installation

Lightweight, easy and cost-effective to install.

Fire rated

Modulo® is available in Group 1, 2 and 3 fire ratings.

Test results are available on request.

Version 2

Australian made

Designed and crafted in Australia by Screenwood.

World-class sustainability

Global GreenTag™ certified and Modulo® MR is manufactured from PEFC™ fibreboard from certified Australian mills.

Low maintenance

Easy cleaning and no annual staining.
