

Panels MR, Rectangular 4018-8 finished in NAVURBAN™ Nutgrove

## Why Screenwood Panels?

### Unprecedented versatility

Suits vertical, horizontal, curved and sculptural applications.

### Acoustic excellence

NRC of up to 1.0 to reduce reverberation when installed as directed.

### Premium finishes

Extensive choice of natural Solid Timber or NAVURBAN™ finishes that are low VOC, UV and abrasion resistant.

### Accommodates services

Easily removable to access lighting and services post-construction.

Test results are available on request.

Version 2

### Australian made

Designed and crafted in Australia by Screenwood.

### Prefinished and preassembled

Made to order for easy and cost-effective installation.

### World-class sustainability

Global GreenTag™ and PEFC™ certified to align with your sustainability goals.

Product Quick Guide

# Panels

An interior prefinished, preassembled acoustic linear batten system.

Panels MR, Rectangular 5025-5 finished in NAVURBAN™ Tablelands

## Panels Range Overview

Made to order in Australia, Screenwood Panels are the acoustic linear batten system of choice for interior architects, designers and builders seeking a cost effective, easy to install solution.

*"Our Australian made Panels counteract auditory fatigue and enable easier conversations by reducing echo and reverberation."*

Tim Russell  
Director, Screenwood

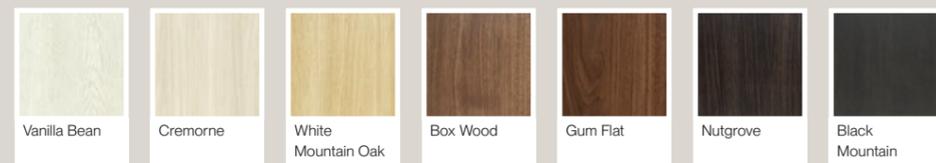

# Ultra-realistic Finishes

Panels MR and Panels FR are profile-wrapped in premium NAVURBAN™ non-PVC olefin decorative film.

## NAVURBAN™ range

## NAVURBAN Diamond™ range

## NAVURBAN Elements™ range
